Who is St. Augustine? St. Augustine was the bishop of Hippo (now Annaba, Algeria) from 396 to 430. A renowned theologian and prolific writer, he was also a skilled preacher and rhetorician. He is **one of the Latin Fathers of the Church and, in Roman Catholicism, is formal recognized as a doctor of the church.**

THE PASSION OF SAINT JOHN THE BAPTIST AUGUST 29TH

The Church celebrates the passion of St. John the Baptist who died approximately A.D. 30. We know from the Bible that he was the cousin of Jesus, the son of St. Elizabeth, and also the nephew of our Lady. King Herod knew that John was a holy man, and he liked to hear John's words, although he didn't take them to heart. He knew that he had to get control of him because of the crowds he was starting to build. He was afraid to kill him, so instead he had him imprisoned.

According to the Gospels, Herod had imprisoned John because he spoke out about Herod divorcing his wife, and unlawfully taking the wife of his brother. On Herod's birthday, his new wife's daughter danced before the king and his guests. Her dancing pleased Herod so much that in his drunkenness he promised to give her anything she desired, up to half of his kingdom. When the daughter asked her mother what she should ask for, she was told to ask for the head of John the Baptist on a platter. Herod was appalled by the request but reluctantly agreed and had John the Baptist executed in prison. St. John the Baptist was beheaded, and his head was placed on a platter and given to Herod's daughter.

Herod also feared that St. John's influence and power over the people might cause a rebellion. Over time, Herod had suffered military disaster at the hands of Aretas his father-in-law, and many believed it was God's punishment for his unrighteous behavior, and for taking the life of John the Baptist.
