Legends of St Valentine's Day

Saint Valentine of Rome - II

- Some scholars believe that during his stay in prison Valentine made friends with jailer's blind daughter who at times brought to him notes and flowers from children. Whenever, possible Valentine also replied to the notes. Days before his execution, Valentine prayed for the jailer's daughter and she regained her sight. Before his death, Valentine is also said to have written a farewell note for the jailer's daughter and signed it "From Your Valentine". This expression is popular even till date. Valentine was beheaded on February 14.

*Happy
Valentine's Day!*
