

St. Joseph's Catholic Cemetery Second Collection

On Sunday, May 31st we will take up a collection in order to honor our deceased loved ones buried in our Parish cemetery. We should also direct our attention to our outstanding property. It is through the work of the board members that it is maintained so beautifully. The funding will continue to provide funds for improving and maintaining the cemetery. Also, keep in mind that donations may be given at any time of the year. Please be generous in supporting St. Joseph's Cemetery.
